

Baby & bridal shower clients

We are honored that you have chosen our Café du Coco Venue for your Special Private Event and would like to make it a beautiful, elegant but at the same time smooth and affordable experience for both parties!

Therefore we've created this special price proposal:

To avoid the venue fees for the main floor Tea Room (which is \$450 per hour) the base price of the tea ceremony including tea and a 3 tier tower with sweets, pastries, chocolate and savory sandwiches is \$50 per guest. We're honoring you the 2 hours of exclusive use of the space without charging you any venue fees. Normally during these 2 hours our guests are able to have a tea ceremony and time for games plus open the gifts. The third hour will not be charged for the first 15 min but if exceeds the agreed time frame we would have to add to your bill \$450 for the third hour.

Besides tea and snacks we are offering additional services which are optional to choose from;
